Dear Downtown Vassar building owner,

It may seem out of season, but we believe it is never too early to get into the Holiday spirit. This year, the *Vassar Downtown Development Authority* would like to help your business SHINE BRIGHT and STAND OUT while we present one, unified front in our Downtown.

Taking a bit of a lead from the City of Rochester, Vassar City Hall decorated a portion of its building with brilliant, LED lights for the 2021 Holiday season. The building glistened from top to bottom, and all the way across. It was so magical and so well received, we have hatched a plan to spread the holiday cheer even further this year. That is where YOU come in!

The DDA is offering to purchase enough lights to cover your building. We will even arrange to have them professionally hung. As the building owner, we would ask you to cover the cost of installation, as well as the electricity to keep them on throughout the Holiday season.

So what do you say? Let's come together and really make our Downtown sparkle. Together, we can add some joy, make a statement, and make sure to get Downtown Vassar on the map this Christmas! Give us a call at 989-823-8517 for more information or to let us know **YOU'RE IN!**
